About this report

St Joseph's Catholic Primary School (the 'School') is registered by the NSW Education Standards Authority (NESA) and managed by Catholic Education Diocese of Bathurst (CEDB). CEDB as the 'approved authority' for the diocesan registration system formed under Section 39 of the NSW Education Act (1990), is responsible for monitoring the compliance of member schools in the manner that has been approved by the Minister of Education.

The Annual School Report (the 'Report') demonstrates accountability to regulatory bodies and CEDB. Additionally, the Report complements and is supplementary to other forms of regular communication to the School community regarding initiatives, activities and programs which support the faith formation, learning and wellbeing of its students.

The Report provides parents and the wider community with fair, reliable and objective information about educational and financial performance measures as well as School and system policies. This information includes summary contextual data, an overview of student performance in state and national assessments, a description of the achievement of priorities in the previous year and areas for improvement. Detailed information about the School's improvement journey is documented in the School Improvement Plan (SIP) which is developed, implemented and evaluated in consultation with key stakeholders.

Message from key groups in our community

Principal's Message

St Joseph's Catholic School Oberon is a dynamic and flexible Christ-centred community that has met the needs of all students and their families in 2024.

Academically, our students have excelled in various subjects and standardised tests, showcasing their dedication to learning. Our focus on personalised learning, differentiated instruction, and the integration of technology has empowered our students to become critical thinkers, problem-solvers, and lifelong learners.

Beyond academics, our school places a strong emphasis on character development, leadership skills, and community service. Through our comprehensive extracurricular programs, students have had the opportunity to explore their interests, develop their talents, and build meaningful connections with their peers. Whether it's through sports, arts, clubs, or volunteer work, our students have shown exemplary commitment to excellence and service.

Looking ahead, we remain committed to continuous improvement and innovation in education. We will continue to strive for excellence, embrace new challenges, and explore opportunities to enhance the educational experience for all our students.

Parent Body Message

St Joseph's has a very supportive and active P and F (Parents and Friends Association). The P and F works very hard to raise much needed funds for the improvement of the school's resources so that the students, staff and school community may enjoy a pleasant environment in which to live, learn and grow.

All members enjoy socialising when they come together which creates a happy and healthy environment. All parents are encouraged to be actively involved in the various activities that take place throughout the year. The P and F meets at least once per term and minutes are distributed to all families through the school's newsletter and website. At no stage is the P & F Association a forum for complaints and grievances regarding the school.

Mrs Ashleigh Hotham - President

Student Body Message

The 2024 school year was a very good year for all the students at St Joseph's. Highlights for all classes are excursions. Kindergarten visited the Railway Museum at Bathurst, Years 1 & 2 visited Sydney Zoo, Years 3 & 4 visited Royal Botanic Gardens &

Cockatoo Island and Years 5 & 6 travelled to Sydney for a Young Leaders Forum taking in some of Sydney's main tourist attractions along the way.

Our School Playground continues to be a fun place to be. We have vegetable gardens and 5 chooks to care for. The younger students love collecting the eggs and holding the chooks.

We are very grateful to the teachers who go above and beyond each day to ensure learning is engaging and that we are doing our very best.

School Features

OUR STORY

St Joseph's Catholic School is an integral part of St Ignatius Parish, Oberon. Our school was founded by the Sisters of St Joseph in 1912. For over a half a century, St. Joseph's was nearly entirely staffed by the Sisters of St Joseph. By the beginning of the 1980s, the number was down to a few sisters. Lay Catholic school teachers took up the task of building on the wonderful foundation set by the religious and by the late 1990's St Joseph's was staffed entirely by lay people.

OUR FAMILIES

St Joseph's parent community prides itself on the partnerships that continue developing through the common language gained through working together. We seek parent input on changes in the school and do so through parents' and friends' meetings, parent workshops, and surveys.

OUR CHILDREN

The students at our school are blessed with so many gifts in a variety of areas. Their human uniqueness is explored and celebrated by accessing many extracurricular activities. Through the year Kids Lit provided students with opportunities to take ownership of their learning through open-ended tasks. Other events included visiting School Performances, CWA Public Speaking & Healthy Harold.

OUR STUDENT VOICE

Student Representative Council activities and fundraisers provided practical opportunities for students to engage with social justice issues.

SPORT

There are many sporting pathway opportunities provided to all students at the school. This year we participated in a range of activities including Diocesan Summer Trials, Swimming, Athletics and Cross Country Carnivals, Rugby League & Netball Gala Days. Our students also access Oberon's indoor facilities during the Winter months. These being; squash, tennis and the gym.

Enrolment Policy

Catholic Education Diocese of Bathurst has an Enrolment Policy for Systemic Catholic Schools in the diocese. Children from families who are prepared to support the ethos and values of the Catholic Church may be considered eligible for enrolment. Total fees are made up of a Single School Fee (which incorporates local costs), the Capital Works Levy and Subject Specific Costs. A pastoral approach is adopted for parents experiencing genuine difficulty with the payment of fees. Information about enrolling may be accessed through the [Diocesan website](#) under the About Us drop down menu - see Policies tab or by contacting your local Catholic School.

Managing Student Non-Attendance

Regular attendance at school is essential if students are to maximise their potential. The School, in partnership with parents, is responsible for promoting the regular attendance of

students. While parents are legally responsible for the regular attendance of their children, School staff, as part of their duty of care, monitor part or whole day absences.

School staff, under the Principal's leadership, support the regular attendance of students by:

- providing a caring teaching and learning environment which fosters students' sense of wellbeing and belonging to the School community
- maintaining accurate records of student attendance
- recognising and rewarding excellent and improved student attendance
- implementing programs and practices to address attendance issues when they arise.

The Principal is responsible for supporting the regular attendance of students by ensuring that:

- parents and students are regularly informed of attendance requirements and the consequences of unsatisfactory attendance
- all cases of unsatisfactory attendance and part or full day absences from school are investigated promptly and that appropriate intervention strategies are implemented
- documented plans are developed to address the needs of students whose attendance is identified as being of concern
- the Executive Director of Schools and designated CEDB Safeguarding Officer are provided with regular information about students for whom chronic non-attendance is an issue and for whom the School's strategies have failed to restore regular attendance.

Catholic Identity and Mission

Catholic Schools have a unique role in the evangelising and educating mission of the Church. Catholic Schools encourage and support parents in their responsibility for the faith formation of their children. This formation is supported by prayer and opportunities to participate in the life, mission and liturgy of the broader Catholic community.

The School follows the Diocesan Religious Education Curriculum and uses the student resources *To Know, Worship and Love*, and *Understanding Faith*, as authorised by the Bishop of Bathurst.

Students in Years 6 and 8 in Catholic schools in the Bathurst Diocese undertake the Diocesan Religious Education Test annually. The test consists of multiple-choice questions with the results analysed by CEDB to inform diocesan teaching and learning in Religious Education.

St Joseph's School is readily recognised as being distinctly Catholic. There are close relationships between the Catholic community of Oberon and the school. Staff members are involved within the various ministries of the parish. The school's newsletter is used as an avenue of further identifying the school as part of the St Patrick's Parish by carrying information relevant to the parishioners.

The School's Mission and Vision Statements reflect 21st Century Learning and our rich Catholic curriculum.

Mission

At St Joseph's Catholic School Oberon, all students learn at high levels in a nurturing, collaborative and Christ-centred environment.

Vision

With Jesus as our model and guide, St Joseph's Catholic School is a professional learning community built on the tradition of the Sisters of St Joseph. With inspiration from St Mary of the Cross MacKillop and St Ignatius of Loyola, we strive to live out our motto, "All for the Glory of God."

St Joseph's celebrates all important feast days and has on average two school masses per term. Prayer is an important ritual in everyday school life with students having the opportunity to pray at the beginning and end of the day as well as before each meal break.

The Sacraments of Reconciliation, First Holy Communion and Confirmation are celebrated throughout the year. The End of Year Mass concludes the year and allows us to celebrate as a school community and thank God for our achievements throughout the year.

St Joseph's performs extremely well in the Diocesan Year 6 Religious Education Test with scores being well above the diocesan average.

St Joseph's School is part of the St Ignatius Parish Oberon and regular class visits from the Parish Priest reinforce and support Catholic values being upheld at St Joseph's.

Curriculum, Learning and Teaching

The School provides an educational program based on, and taught in accordance with the NSW Education Standards Authority (NESA) syllabuses for primary education. The Key Learning Areas (KLAs) are English, Mathematics, Science and Technology (S&T), Human Society and its Environment (HSIE), Creative Arts (CA) and Personal Development, Health and Physical Education (PDHPE). In addition to this, the School implements the Diocesan Religious Education syllabus. Staff members are committed to continuous improvement of teaching and learning in all facets of the curriculum.

The school curriculum offered by St Joseph's is determined by the requirements of NESA and Catholic Education Diocese of Bathurst. Teachers are then able to differentiate within their teaching programmes in order to meet these requirements and the needs of the students in their class. Teaching programmes and student work samples are collected by the School's Executive Team each term in order to make sure that all requirements are being met.

A learning support program exists at the school to assist students needing extra help with literacy and numeracy and class teachers facilitate extension and enrichment activities for students. All students have a personalised learning plan which enables them to set goals to ensure to they are achieving high levels of learning. Students then regularly check in with their teachers to monitor progress, receive feedback and seek support if necessary.

St Joseph's is very conscious of keeping abreast of Contemporary Learning in the 21st Century and the need to ensure the students are receiving a high quality Catholic education. St Joseph's is a Professional Learning Community where the teachers regularly meet, share and work collaboratively to improve student learning and achievement through data analysis of pre and post assessment tasks.

Student Performance in Tests and Examinations

NAPLAN

Students in Years 3, 5, 7 and 9 across Australia participated in the National Assessment Program Literacy and Numeracy (NAPLAN). The purpose of NAPLAN is to provide information to parents and teachers about the achievements of students in literacy and numeracy. The test provides a measure of the student's performance against established standards and against other students in Australia. Each year the results are analysed by the school to inform teaching with a view to improving student performance.

From 2023, NAPLAN results are reported against proficiency standards with 4 levels of achievement to give teachers, parents and carers clearer information on how students are performing:

- Exceeding: The student's result exceeds expectations at the time of testing.
- Strong: The student's result meets challenging but reasonable expectations at the time of testing.
- Developing: The student's result indicates that they are working towards expectations at the time of testing.
- Needs additional support: The student's result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The percentage of student achieving at Exceeding and Strong proficiency standards in NAPLAN at St Joseph's Catholic Primary School for 2024 is reported in the table below.

Pastoral Care and Student Wellbeing

Pastoral Care Policy

The School's Pastoral Care and Student Wellbeing policies, guidelines and procedures are underpinned by the guiding principles from The Australian Student Wellbeing Framework (ASWF) that represent fundamental beliefs about safe, supportive and respectful school communities. These guiding principles emphasise the importance of student safety and wellbeing as a pre-requisite for effective learning in all Catholic school settings.

Catholic Education Diocese of Bathurst Pastoral Care and Wellbeing Framework provides a vision and guiding principles that assist school communities to develop positive school cultures that promote student wellbeing and develop respectful relationships. It assists schools to identify priority areas and measure progress in the development of safe school communities. The diocesan Pastoral Care and Wellbeing Framework assists schools in:

- planning, implementing and maintaining a safe, supportive and protective learning community that promotes student safety, pastoral care and wellbeing
- creating teaching and learning communities where all members of the School community are safe from harassment, aggression, violence and bullying
- responding to new and emerging pastoral care and student wellbeing challenges.

The Diocese of Bathurst Pastoral Care and Wellbeing Framework revision began in 2021 and will continue into 2024. The Framework can be accessed at the [Pastoral Care and Wellbeing Framework](#).

Complaints Handling Policy

Catholic Education Diocese of Bathurst has a Complaints Management Policy which is implemented across the diocese. The policy recognises that at times misunderstandings, differences of opinion, and complaints and grievances will occur, and that these need to be resolved. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world.

The Policy and procedures reflect the legislative responsibilities and demonstrate our diocesan commitment to protect the safety and wellbeing of students while supporting our employees and volunteers working with children and young people in our educational context.

The full text of the Complaints Management Policy may be accessed on the [CEDB website](#) or by contacting Catholic Education Diocese of Bathurst.
